

**NEW PRESIDENT OF THE PM&DC ASSUMES CHARGE AND PLEDGES  
ZERO TOLERANCE FOR CORRUPTION IN THE INSTITUTION**

**Islamabad 20<sup>th</sup> Jan 2016:** Prof. Dr. Shabbir Ahmed Lehri, the new President of Pakistan Medical & Dental Council (PM&DC), Islamabad took over his charge today after the notification from the Ministry of NHR&C. Today at PM&DC he met with all the officers of the Council and while talking with the Officers pledged to promote medical and dental education in the country at par with international standards.

He said that there is a dire need to improve the image of PM&DC and there will be zero tolerance for corruption in the organization. He further said that the affairs of the PM&DC will be streamlined on merit and transparency at every level.

He also pledged to make PM&DC a very vibrant, effective and user-friendly institution for the medical and dental practitioners of the country. He added that he will be easily available to address the grievances of doctors.
