

PRESIDENT PM&DC ADDRESSES PM&DC STAFF

Prof. Dr. Shabbir Ahmed Lehri, the new President of Pakistan Medical & Dental Council (PM&DC) along with Dr Amir Hussain Member Executive Committee on 21st January 2016 addressed the PM&DC staff at PM&DC offic.

While addressing the staff of the Council he directed all the staff to maintain discipline and unity among each other.

He emphasized that no favoritism or grouping will be tolerated in the office. He said that all the staff should put in their best efforts to uplift the image of the PM&DC. He added that president office will be open to all the employees and they are always welcome to discuss their problems when ever required without hesitation.

He said that there is a dire need to improve the image of PM&DC and there will be zero tolerance for corruption in the organization. He further said that the affairs of the PM&DC will be streamlined on merit and transparency at every level.

He also pledged to make PM&DC a very vibrant, effective and user-friendly institution for the medical and dental practitioners of the country. He added that he will be easily available to address the grievances of doctors.

He also visited all the sections of the PM&DC secretariat Office and met with the doctors in the reception area to know the problems faced by them at the time of submission of their documents. He took suggestions from the doctors for improving the system of registration.
