

**PM&DC PRESIDENT APPRICIATES CHIEF EXECUTIVE OF
RAWALPINDI MEDICAL COLLEGE ON ESTABLISHING
FIRST LIVER DIALYSIS CENTER**

Islamabad 2nd March 2016: Two day conference of Gastroenterology and Hepatology was held at Holy Family hospital Rawalpindi. A large numbers of consultants and doctors from abroad and inside the Pakistan attended the Conference.

President Pakistan Medical and Dental Council Prof.Dr.Shabir Lehri was the Chief Guest in the conference. In his speech he welcomed the participants and appreciated the Chief executive of Rawalpindi Medical College Rawalpindi for their efforts to provide a unique opportunity for healthcare provider to share knowledge, experience and research work from national and international leading consultants and for establishing the first liver dialysis center in Pakistan for the training of under graduate and postgraduate doctors and providing free of cost remedy for the poor.

Speaking on the occasion President PM&DC Prof.Dr.Shabir Lehri thanked Prof.Dr.Umar for providing such a magnificent facility to hold this conference. He emphasized the importance of the conference by saying that presence of senior faculty members from all over the world would provide the state of the art lecture and knowledge to the participants.

Advanced study and procedures of Endoscopy liver dialysis were also focused in the conference. President PM&DC thanked all the participants and staff on organizing this unique conference.

Dr. Shabir Lehri
