

## Press release

### 1698 foreign graduates appeared in PM&DC NEB examination STEP-II

**Islamabad 13<sup>th</sup> May 2018:** Pakistan Medical and Dental Council (PM&DC) has held its National Examination Board examination step-II on 13<sup>th</sup> May 2018 at Topi Rakh complex and Army Medical College Rawalpindi for medical and dental graduates having foreign qualification.

PM&DC has conducted the NEB examination with the collaboration of National University of Medical Science (NUMS) Rawalpindi. Total 1698 Medical and dental graduates appeared in the NEB examination.

The result of the examination will be uploaded on PM&DC and NUMS website for the information of the candidates. Pakistani nationals mostly who completed their medical degree from the countries of China, Afghanistan, Russia and Central Asia states and Cuba has appeared in the examination after fulfilling all PM&DC requirements. The success full candidates of this examination will be eligible to appear in Step III NEB Examination.

The examination was held successfully. Parents and students expressed their full satisfaction on holding of successful exam and expressed the hope that PM&DC will continue serving the medical graduates. Despite huge number of students, the exam was held in a very disciplined and organized manner. All types of security measure were taken with strict care.
