

ALL NEW MEDICAL AND DENTAL WILL BE RECOGNIZED
STRICTLY ACCORDING TO PM&DC RULES

Islamabad 17th August: PM&DC Executive Committee has decided in a recent meeting that all new medical/dental colleges forwarded by Federal government shall be recognized strictly in accordance with the rules & regulations.

Almost 15 new applications have been forwarded by Federal Government including **Watim Dental College Rawalpindi, Bakhtawar Amin Medical and Dental College Multan (Dental College), HITEC Institute of Medical Sciences (IMS) Taxila, Rai Institute of Medical Sciences Sargodha, North west School of Medicine Peshawar, CMH Kharian Medical College Kharian, Doctors Medical College Sargodha, M.Islam Medical and Dental College Gujranwala, Windsor Medical College Haripur, Loralai Medical College Loralai Balochistan , Turbat Medical College Turbat (Kech) Balochistan, Khuzdar Medical College Khuzdar Balochistan, Rehman College of Dentistry Peshawar, Nowshehra Medical College Nowshehra, Gajju Khan Medical College Swabi.**

Many public /private medical dental colleges have requested for enhancement of annual seats which shall only be considered after having inspections by PM&DC.

He added that PM&DC shall not compromise on over admissions by the medical dental colleges and in future strict disciplinary action will be initiated against the colleges.

President PM&DC told that the Minister of NHRS&C Ms Sara Afzal Tarar is showing full support in uplifting the image of PM&DC. She has ensured her full support to improve the working of PM&DC in order to maintain a good relationship of the Council with all the international medical and dental organizations/ stake holders.

According to Acting Registrar PM&DC Dr.Syed Azhar Ali Shah told that the PM&DC council members are trying their best to uplift the working and functioning of the PM&DC. He told more over 17 cases of Medical and dental P.hd qualifications were also considered in the meeting but referred to Standing recognition Committee (medical) because these programs are not registered with PM&DC which is mandatory requirement of PM&DC ordinance 1962.
