The Principals of all private  
medical & dental institutions

**SUBJECT: FIFTY PERCENTS OF THE BEDS SHALL OPERATE FREE FOR ACCOMMODATION AND CONSULTATION IN TEACHING HOSPITALS OF PRIVATE MEDICAL COLLEGES.**

Reference to this office letter dated 12<sup>th</sup> April, 2013 and subsequent reminders dated 20<sup>th</sup> May, 2014 on the subject cited above. You were directed to submit a monthly compliance report of the above subject, positively to this office on 05<sup>th</sup> of each month.

It has been observed that the provisions contained in the following Clause 17(6) of Medical and Dental Institutions (recognition, eligibility criteria for enhancement in annual admissions and accreditation standards) Regulations, 2012 are not implemented in its true sense, and are broadly violated by the administration of the private sector medical/dental institutions;

*"In teaching hospital, fifty percents of the beds shall operate free for accommodation and consultation, while treatment expenses including laboratory services, medicines and supplies, if any, shall be charged from the patients on a no profit basis".*

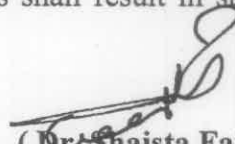

Only few medical/dental colleges are complying the above provision.

You are once again directed to implement the above provisions in the hospitals attached with your medical/dental college for providing effective and affordable tertiary care level facilities to the patients and for achieving the highest standards of Medical Education of the students.

You are once again directed to submit a months compliance report of the above regulation with detail of 50% beds, positively to this office by end of each quarter.

Any failure to comply with these regulations shall result in strict action against the institution in the prescribed manner

With profound regards.

  
( Dr. Shaista Faisal )  
Registrar
